

Job Title: Marketing & Content Executive	Department: Marketing
Report to: Managing Director / Account Director	Location base: Bardwell, Suffolk (3 days per week) Home (2 days per week) Monthly client visits

Toolbox Marketing provides insight-driven strategic and creative solutions to retail & leisure property and placemaking challenges. We think outside the (tool)box to hit the nail on the head.

Our work ranges from the serious business of strategic planning and brand repositioning – to the magic of creating emotionally engaging communications that make people want to shop, dine, and play.

We are recruiting an enthusiastic Marketing & Content Executive.

Job Purpose

As Marketing & Content Executive you will assist the Account Management team in developing and implementing the marketing strategies for our shopping centre clients and support the Account Management team in curating and creating content for our clients.

You will be responsible for developing and implementing creative yet strategic content to get people to our client's places - shopping centres, retail parks, leisure locations, events, festivals, and more.

You will be required to support the Account Management team to ensure all work undertaken on behalf of Toolbox Marketing is delivered to a high standard. An integrated and effective approach to all marketing activity and deliverables is required.

You will be required to juggle multiple tasks, for multiple clients, across multiple channels.

Focus and responsibility

1	Provide social media content plans every week and upon approval, schedule the content
2	Actively engage and respond to all social media channels (some evening and weekend responses may be required)
3	Write, optimise, and post blogs
4	Influencer and partnership management
5	Attend regular site visits to curate and create content
6	Support for paid for advertising, website updates, and database marketing
