

A full-page background image featuring an astronaut in a white spacesuit floating in space. The astronaut's helmeted head is in the upper center, with their gloved hand reaching towards the viewer. The Earth's blue and white horizon is visible on the left side. The background is a deep blue space filled with stars and a soft, colorful nebula in shades of purple, pink, and blue. Several large, semi-transparent hexagonal shapes in various shades of pink and purple are overlaid on the image, creating a modern, geometric design.
